SUBJECT: SLOVENIA TO SEND DELEGATION TO GLOBAL INITIATIVE
TO COMBAT NUCLEAR TERRORISM MADRID MEETING

REF: STATE 57695

1. On May 30, Emboff passed reftel points regarding the Global Initiative to Combat Nuclear Terrorism June 16-18 meeting in Madrid to MFA Security Policy Division official Andrej Slapnicar and requested information regarding Slovenia's conference delegation. Slapnicar replied that MFA Security Policy Division Director Stanislav Vidovic and Security Policy Division Deputy Director Robert Basej will both attend the conference. Slapnicar stated that because Slovenia currently holds the Presidency of the Council of the European Union (EU), Vidovic will deliver a statement on behalf of the EU but does not intend to provide a Slovenian national presentation. Emboff also provided the MFA with a copy of the Government of Spain's invitation for Slovenia.
